Commissioner for Patents

IDS filed 18 January 2005 considered, note the information disclosure statement filed 18 January 2005 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because no English translation provided about the content of Japanese Patent 11161521A, or portion identified and translated about the portion of Japanese Patent that is relevant. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a). The applicant is also advised that the other documents in the information disclosure have been considered.
